Hey Audrey, good to hear from you. All is well here in Alabama.

I would be more than happy to update you. As it stands right now, we have discussed the AG letters with our attorney, Chris Sasser, and he has a few concerns that we are following up on. The ADEM-Land Division crew will be meeting next week to compare notes and determine exactly what we need to send back to you. In addition, we will be meeting with Chris next Friday to discuss which AG letters to get ready so that we may get them to you.

I should have more information for you by March 12th. Or, if you want to wait, I can brief you in person in Boston!

Thanks and talk to you soon,

Subject: Update on Program Revision checklists

Hi Mike,
Hope all is going well.
Can you give me an update on where ADEM is with the final Attorney General Statement for the Checklists that we commented on and later discussed via conference call?

Thank you.
